

# AEP 2012 WORKSHOP NOTICE

## 2012 Residential Standard Offer Program (RSOP) and 2012 Hard to Reach Standard Offer Program (HTR SOP)

\*\*\*\*\*

AEP has made revisions to the RSOP and the HTR SOP for 2012. A workshop to describe the programs and changes for 2012 will be held October 19, 2011 in Corpus Christi. To attend the workshop, please complete the attached reservation form and return it to AEP. Workshop attendance is not required prior to submitting an application; however, due to the program changes for 2012, applicants are advised to attend the workshop or review the updated program manuals on the program websites before submitting an application. A copy of the workshop presentations will also be available.

----------------------	------------------------------------	------------------------------------	------------------------------------

AEP’s Standard Offer Programs pay incentives to energy efficiency service providers for installations of qualifying energy efficiency measures. The SOPs are open to a wide range of energy efficiency service providers, including the following:

- Electrical contractors
- Lighting companies
- HVAC contractors and dealers
- Plumbers
- Insulation contractors
- Community Action Agencies

Applications will be reviewed on a first-come, first-served basis. Information on all of the AEP Standard Offer Programs can be viewed at [www.aepefficiency.com](http://www.aepefficiency.com). A copy of the workshop presentations will be available on the website.
